

## ABOUT THE INSTITUTION

It may not be an exaggeration to state that Dr.K.V.Subba Reddy College of Engineering for Women is the best Women's Engineering College in Rayalaseema region as witnessed by the Higher Education of Andhra Pradesh. Dr.K.V.Subba Reddy College of Engineering is established in 2008 in the picturesque and pleasant environs of Kurnool and is ideally located on a sprawling 40 acre campus on Kurnool-Bangalore Highway (NH-7) near Dupadu Railway Station. The institute ambience stimulates one to take up studies with keen interest.

**KVSW** originated under the auspicious '**Vishwam Educational Society**', is now under the proactive leadership of Sri **K.Ashok Vardhan Reddy**, Chairman and Sri **K.Viswa Mohan Reddy**, President. **KVSW** is governed by a progressive management that never rests on laurels and has been striving conscientiously to develop it as one of the best centers of academic excellence in India.

The Institution's profile is firmly based on strategies and action plans that match changing demands of the nation and the students' fraternity. The Management spares no effort in developing the institution as one of the best centers of academic excellence. The campus has spell binding and aesthetically designed buildings that are well networked by WI-FI technology with 50 Mbps internet speed.

The Institute offers Undergraduate and Postgraduate Courses under Engineering and Management streams. The college has developed into a reputed Engineering Institution with ISO 9001:2000 Certification, Technical bodies like ISTE & CSI.

## VISION

To become an excellent center in providing globally relevant education and be a benchmark institution for lifelong partnerships with students, the workforce, public and private enterprises. The college's graduates will be recognized and valued for their commitment to excellence for learning, ethical behavior and integrity, and exceptional leadership.

## MISSION

To foster learning with a broad and exceptional education that prepares them to excel in their profession and become creative leaders and mentors in an increasingly complex world. To integrate innovative learning and discovery by developing and sharing technical expertise and empower students to be tomorrow's leaders.
